

Revive with Eucalyptus!

Breathe in the distinctive scent of a eucalyptus grove. Besides the refreshing scent, the healing power of eucalyptus is broad and wide-ranging. Eucalyptus helps you breathe and revives tired muscles. Eucalyptus kills germs, and revives the skin, making it a natural in body care products.

Eucalyptus helps you breathe: It opens sinus passages, increasing the healing oxygen supply of every cell in your body. A Eucalyptus Scent Diffuser clears the air with a fresh scent. A Eucalyptus sinus mask opens your sinuses, making you feel instantly energized.

Eucalyptus and Heat can't be Beat: Heat therapy is a proven pain reliever for sore achy muscles. When combined with the aromatherapy of eucalyptus, which is refreshing and stimulating, Sonoma Eucalyptus heatwraps become a total reviving and rejuvenating treatment for your muscles.

Eucalyptus is a powerful germicide: It is a powerful antiseptic that kills airborne germs. It is an excellent decongestant for fever, flu, coughs, colds or sinus. It soothes muscular aches, sprains and pains and helps heal abrasions. It has long been a remedy for asthma, bronchitis, colds and flu, sinus problems and throat infections. Keep a Eucalyptus spritzer in your office or home to freshen the air and kill germs on phones, doorknobs, bathrooms, any surface.

Eucalyptus clears the head: It increases concentration, logical thought processes and intellectual capabilities. Under it's influence, hot heads cool. A Eucalyptus keyboard pillow helps you feel alert and refreshed at your computer.

Eucalyptus wakes you up: Start the day with Eucalyptus Shower Gel or soap or treat yourself to a vigorous Eucalyptus Salt Scrub to exfoliate and rejuvenate the skin. Rough dead skin cells are replaced with baby-soft new skin, replenished with the oil from the scrub.
