Sonoma Lavender Booties and Heat Wrap

Trade in her party pumps for something a bit more pampering. Popped in the microwave for 30-60 seconds to heat up the lavender inserts, these soft, polar-fleece booties provide comforting, fragrant heat for her tired feet-it's the ultimate pedi-cure. The neck wrap (not shown) relaxes tired shoulder muscles. One size fits most women. May be machine washed and dried (inserts are removable). Handmade in USA.
